

Phillips Academy
ANDOVER

Dear Phillips Academy families:

E&R–The Campus Laundry, will once again partner with Phillips Academy to provide weekly laundry services to all interested students in the 2025–2026 academic year.

Although washers and dryers are available in all large dorms and in some small dorms, laundry is often a low priority given our students' busy academic and extracurricular schedules.

To help your students keep their clothes, towels, and sheets—and dorm rooms—clean and organized, **E&R offers four convenient, practical plans: Premium Plan, Look Sharp, Just the Basics, and Wash/Dry/Fold.**

Visit TheCampusLaundry.com for plan details and to register—or call 800-243-7789 (from the U.S. only). E&R is offering discounted rates if you register for a plan by August 15, 2025.

E&R has partnered with PA for nearly 23 years and has consistently offered reliable, professional, top-quality service.

Sincerely,

A handwritten signature in black ink, appearing to read "C. L. Joel".

Christopher L. Joel
Director of Business Services

P.S. Questions? Please call E&R's School Customer Service Office at **800-243-7789**.
