

CHOATE ROSEMARY HALL

Dear Choate Rosemary Hall Families,

E&R – The Campus Laundry has provided quality wash/dry/fold laundry, professional garment care, and bed and linen services to Choate Rosemary Hall students for decades. For the 2026–2027 school year, Choate Rosemary Hall will continue to partner with E&R to provide families with the option of using these services throughout the academic year.

To encourage as many students as possible to take advantage of an E&R plan, all families who sign up for a plan will receive a \$205 discount off the regular plan price. Please see the registration form and promotional materials for details on how to sign up. Registration must be completed no later than **August 15, 2026** in order to receive early registration pricing.

E&R plans also minimize utility consumption (such as water, gas, and electricity) associated with students doing their own laundry. A plan allows students to make the most of their free time and reduces time spent waiting for a machine.

If you'd prefer, your student may still wash and dry clothing using the machines available on campus. If you choose not to enroll in a service plan, your student will still receive an E&R laundry bag in which they can send their personal bed and bath linens for cleaning on a weekly basis (sheets, pillowcases, bath towels, hand towels, and face cloths only; E&R will bill on a per-piece basis for any additional items sent in for cleaning).

Over the years, E&R – The Campus Laundry has demonstrated its ability to provide reliable, professional, and quality service to our students. If you have any questions, please contact E&R's School Customer Service Team at 1-800-243-7789 or visit www.TheCampusLaundry.com.

Sincerely,
