

To St. Paul's School families,

For the 2025–2026 academic year, St. Paul's School is once again proud to partner with **E&R – The Campus Laundry** to provide world-class laundry and dry-cleaning services to all interested families. We are excited to announce expanded offerings available to families through this partnership.

E&R – The Campus Laundry has been delivering exceptional laundry service for over 100 years, including almost 23 years of service at St. Paul's School. With our convenient service, your students' linens and personal laundry will be cleaned on a weekly basis—promoting a healthier, safer, and more efficient campus lifestyle.

Our laundry plans are thoughtfully designed to give students back **80 to 100 hours** of valuable time each school year—time they can spend on academics, extracurriculars, or simply enjoying campus life. E&R currently serves more than 100 preparatory schools, colleges, and universities across Greater New England, with flexible plans built to support students' busy schedules.

Our environmentally friendly process saves approximately **86% in water, 68% in gas, and 82% in electricity** compared to standard campus machines. In addition, all dry cleaning is done exclusively with **GreenEarth®**, a non-toxic, sustainable cleaning solution.

Clean clothing not only promotes personal hygiene and organization, but also enhances student confidence, appearance, and emotional well-being, helping them feel their best and perform at their best.

We are committed to supporting student wellness at St. Paul's School by removing the burden of laundry and providing world-class service. Additionally, we take pride in being active members of the communities we serve.

To enroll, simply visit TheCampusLaundry.com and select the plan that best suits your students' needs. The sign-up process is quick and easy, and full program details are available on our website, TheCampusLaundry.com.
