

To Trinity College families,

For the 2025-26 academic year, E&R – The Campus Laundry, will offer laundry & dry cleaning services to all interested students. We are excited to announce new offerings that are available with E&R – The Campus Laundry at Trinity College.

E&R – The Campus Laundry has been providing laundry services for over 100 years, including almost 23 years at Trinity College. With our laundry service, you will ensure that your student's linens are cleaned weekly, along with their weekly personal laundry, while providing a safer and healthier lifestyle for your student. Our environmentally friendly processing helps the environment by saving 86% in water, 68% in gas, and 82% in electricity over the use of washers and dryers on campus. In addition, we use GreenEarth Cleaning exclusively for all dry cleaning.

Our laundry plans are designed to allow your students to make the most of their limited free time on campus by saving between 80 and 100 hours per school year. We offer several efficient and practical programs. E&R has been providing professional laundry service to over 100 preparatory schools, colleges, and universities throughout the Northeast and has designed these plans to allow students to make the most of their free time. Please consider one of our plans.

We believe in providing students with ample time for Education and Recreation on campus, and our commitment to offering world-class laundry services reflects our dedication to supporting the overall well-being of students at Trinity College. Additionally, we are proud of our involvement in local communities and remain committed to contributing positively to the areas in which we operate.

To enroll, visit our website TheCampusLaundry.com and select the plan that best suits your student's needs. The sign-up process is simple and will take just minutes. Additional details are provided on our website.
