

Dear The Greenwood School Families,

At Greenwood School, we are committed to supporting our students' success both inside and outside the classroom. As part of that commitment, we are pleased to offer families access to E&R – The Campus Laundry, our trusted, school-endorsed laundry and dry-cleaning provider for the 2026–27 academic year.

Boarding school life is full and demanding, and laundry should not be a source of stress or distraction. Through this program, students receive convenient weekly laundry and linen service with professional care and reliable return; helping them stay organized, prepared, and focused.

E&R brings over 100 years of garment care experience, including serving our school community for almost 19 years. Their service ensures students always have clean, ready-to-wear clothing, while eliminating missed laundry cycles and the challenges of shared campus facilities.

Plans are designed to provide exceptional value. For approximately the cost of one or two dry-cleaned items per week, a student's entire laundry needs are covered. Select plans include **unlimited dry cleaning and gentle care**, ensuring uniforms, dress attire, and daily wear are consistently cleaned and ready to wear.

All garments are cleaned in a sanitary, eco-friendly facility using non-toxic solutions; supporting both student health and environmental responsibility while extending the life of clothing.

Importantly, this service gives students back an estimated **80–100 hours per academic year**, time they can dedicate to academics, athletics, and personal growth. Families consistently report improved organization, reduced stress, and increased student confidence.

We encourage families to take advantage of this service. **Enrollment is simple at TheCampusLaundry.com**, and early registration includes limited-time savings and added value.

Program highlights:

- Weekly laundry & linen service with pickup and delivery
- Save 80–100 hours per school year
- Unlimited dry cleaning available on select plans
- Cleaned in a sanitary, eco-friendly facility using non-toxic solutions
- Supports student well-being, organization, and success
- Trusted partner with 100+ years of experience

We are pleased to offer this program as part of our continued commitment to enhancing the student experience at Greenwood School.

Sincerely,

Beth Bradley
Director of Residential Life
